HES Fall 2015 Seminar Series

Aug. 28  Adam Konopka, Ph.D.
Post-Doctoral Fellow, Department of Health and Exercise, Translational Research on Aging and Chronic Disease Laboratory, Colorado State University
Effect of Metformin on Glucagon–Stimulated Endogenous Glucose Production and Skeletal Muscle Mitochondrial Energetics in Prediabetic Individuals

Sept. 11 Santos Franco, Ph.D.
Assistant Professor, Department of Pediatrics, University of Colorado Anschutz Medical Campus.
Building Neural Circuits in the Brain: From Stem Cells to Synapses

Sept. 18 Brach Poston, Ph.D.
Assistant Professor, Dept. of Kinesiology and Nutrition Sciences, University of Nevada, Las Vegas
Transcranial Direct Current Stimulation as a Treatment for Parkinson’s Disease

Oct. 2 Phillip Koo, MD
Assistant Professor, School of Medicine, Department of Radiology, Section Nuclear Medicine, University of Colorado Anschutz Medical Campus
Radiologic Applications in Exercise Science

Oct. 9 Erika Nelson-Wong, PT, DPT, Ph.D.
Associate Professor, Regis University, Colorado
Multiplanar Assessment in People With Low Back Pain: Can Biomechanical Approaches Lead to Improved Clinical Outcomes?

Oct. 23 Rebecca Hasson, Ph.D.
Assistant Professor, School of Kinesiology, University of Michigan
Active Class Space: an environmental approach to combating childhood obesity

Nov. 6 Walter Wray, Ph.D.
Associate Professor, Division of Geriatrics, University of Utah
"The Sleeping Giant": New Insights into the Regulation of Skeletal Muscle Blood Flow during Exercise

Nov. 13 Marni Boppart, Ph.D.
Associate Professor, Dept. Kinesiology and Community Health, University of Illinois at Urbana-Champaign
Stem cells and skeletal muscle adaptation in response to exercise

Dec. 4  Aga Bruzynska, Ph.D.
Assistant Professor, Dept. of Human Development and Family Studies, Colorado State University
How exercise experience shapes the brain: insight from the lifestyle interventions in aging and studying professional dancers

Fridays 3:00-4:00 PM Room 105, HESTF
Health and Exercise Science Teaching Facility
